MARKETING MANAGER

SUMMARY

I'm a data-driven marketing manager of 5+ years experience with a creative edge. I plan and optimise campaigns across Meta, Google, TikTok and LinkedIn with scaling pipeline growth, improving ROAS, and turning insights into measurable business impact.

SELECTED CAMPAIGN ACHIEVEMENTS

PERFORMANCE MARKETING MANAGER

Progrss AI (Digital Growth Agency) | April 2024 - Present

Contracted to design and execute data-led growth campaigns for SaaS, e-commerce and edtech clients across paid social and search.

- Drove 16K+ app installs in 30 days for an EdTech brand by testing 40+ creative variations on Meta and Google, reducing CPI by 32%.
- Scaled a wedding-tech SaaS client's launch campaign to a £58K budget, achieving a 4.1x ROAS while maintaining premium brand positioning.
- Built cross-channel attribution using GA4, Looker Studio and MixPanel, improving data accuracy by 27% and unlocking more efficient spend reallocation.
- Partnered with product, creative and sales teams to translate insights into action, lifting conversion rates by 19% across the funnel.

MARKETING MANAGER

The Coaching Diaries & Coaches' Club Academy | Jan 2021 - Mar 2024

Led paid acquisition and growth strategy across Meta, Google and YouTube for a digital education brand.

- Drove webinar funnel revenue to £3K in two weeks through refined audience targeting and retargeting sequences.
- Reduced paid acquisition cost by 10% and improved LTV:CAC ratio from 2:1 to 3:1 through referral and influencer partnerships.
- Created integrated campaigns combining paid, content and CRM, increasing retention and customer engagement by 25%.
